Engineering Scholarship

This scholarship is awarded to students who are entering or currently enrolled full-time in an engineering program. Scholarship funding of up to \$10,000 is available. Individual award amounts will vary depending on the number of successful applicants. In addition, recipients may be considered for summer employment, full-time employment, and future career opportunities with Misty Clifton Engineering LP (Misty Clifton).

Please submit a personal statement outlining your career goals, academic accomplishments in engineering, and how your degree program will help you achieve those goals.

Certificate/Diploma Scholarship

This scholarship provides financial support to students enrolled in a certificate or diploma program with a focus on engineering technology. Each recipient may receive up to \$5,000, depending on the number of successful applicants. In addition, recipients may be considered for summer employment, full-time employment, and future career opportunities with Misty Clifton.

Please submit a brief statement outlining your educational goals and your commitment to succeeding in your chosen program.
